

PAMALA STANLEY

Mini Bio

There's something magic about Pamala Stanley - Billboard Magazine states "Pamala Stanley is one of the most beautiful voices of our time" she has also been tagged as "an entertainer's entertainer". That sound impressive, but the truth is Pamala Stanley is impressive. Her unparalleled voice encompasses everything from the most intimate whisper to the soaring "bel canto" that is surely her trademark. And her vivacity and natural warmth allow her to connect with each and every person in audiences around the globe.

Pamala had a string of major hits back in the late 70's & early 80's including; *Coming Out of Hiding*, *This Is Hot*, *I Don't Want To Talk About It*, *If Looks Could Kill* & *Body Time* to name a few. Pamala has toured the world and has made countless television appearances from MTV to American Bandstand.

Pamala Stanley continues to tour internationally in Concert Venues, Theatres, Clubs, Private Events and many Cruise Lines – and her demand and popularity continue to soar.
